DISHA SURATI

Marketing Analyst | Customer Insights, Campaign & Retention Analytics
Chicago, IL | Open to relocation | (312) 522-6120 | suratidisha@gmail.com
LinkedIn | Portfolio | Tableau Dashboard | GitHub

Marketing analyst with an MS in Marketing Analytics. Uses SQL, Tableau, Looker Studio and SPSS to analyze funnels, cohorts, retention and customer value, and turns findings into clear recommendations. Built RFM segments and 90-day customer value analysis for a lifecycle capstone; lifted social impressions **15%** and drove **150+** user sign-ups in live campaigns.

CORE SKILLS

- **Analytics Tools:** SQL (BigQuery, SQLite, CTEs, window functions), Tableau, Looker Studio, Excel, SPSS, GA4, GTM, GitHub
- **Analysis Methods:** Funnel, cohort and retention analysis, RFM segmentation, A/B testing, ANOVA, regression, conjoint
- **Marketing Measurement:** Campaign and content performance, reach and impressions, CTA testing, performance reporting
- **Marketing Tools:** HubSpot, Mailchimp, Canva, CapCut, WordPress, Microsoft Office (PowerPoint, Word), ChatGPT, Claude

ANALYTICS PROJECTS

E-Commerce Funnel, Segmentation & Retention | Self-directed analytics project | Tableau — Aug 2026
- Mapped the full purchase funnel by querying **750K+** events across 270K users in BigQuery with CTEs and window functions.
- Found a **52%** cart-to-checkout drop-off and that items under $15 converted **4x** better than $**50+** (**4.1%** vs **1.0%**).
- Recommended fixing checkout and investing in retention after finding only **6.2%** of buyers repurchased in 30 days.

Sephora Lifecycle Marketing Capstone | Independent project, simulated data | Looker · Tableau · GitHub — Oct 2026
- Cleaned **9,999** product reviews in SQL with logged QA checks for duplicates, joins and missing values.
- Segmented **747** customers (**1,251** simulated orders) by RFM and 90-day value in SQL, plus funnel and cohort views.
- Matched Tableau and Looker Studio dashboards to SQL totals by reconciling each at full and filtered ranges.
- Found **34%** of customers (**254** of **747**) were lapsed one-time buyers, the largest win-back segment.

Retail Category Strategy | InContext Solutions / Walmart case study — Nov 2025
- Compared assortment options by analyzing a **216**-participant shopper experiment with ANOVA and regression.
- Recommended SKU changes with modeled lifts of **2.1%** in sales and **1.0%** in unit volume from the regression results.

Google Pixel Brand & Pricing Strategy | Pricing research and positioning — May 2025
- Modeled a **25.6%** market share at an $800 price point by running a conjoint study with **35** respondents.

EXPERIENCE

Marketing & Growth Analyst | istash | Chicago, IL — Sep 2025 – Jun 2026
- Targeted email campaigns and outreach by segmenting users and tracking funnel stages in HubSpot and Mailchimp.
- Designed **20+** creative assets and A/B tested **5+** visual and CTA variants to choose designs for future social posts.
- Drove **150+** sign-ups in **2 weeks** for an early-stage fintech app through targeted email outreach and cold calling.

Social Strategy Lead | Kellstadt Marketing Group (Student Organization) | Chicago, IL — Sep 2025 – Jun 2026
- Lifted impressions **15%** by analyzing reach by posting time and moving posts to mornings on alternate days.
- Grew Instagram following **12%** in nine months by leading the content plan; top reel reached **14.9K** views, **10x** a typical post.
- Filled **65 of 80** seats (**81%**) for the Marketer's Nexus event by leading Instagram, LinkedIn and newsletter promotion.

Digital Marketing & Campaign Analyst | Vadilal Industries | Ahmedabad, India — May – Jul 2024
- Found reels and jingles beat other formats on views by comparing content performance, shaping later creative.

Content Marketing & Design Associate | INIT Design Studio | Ahmedabad, India — Dec 2023 – Apr 2024
- Managed **3** client accounts at once by coordinating social calendars, client communication and feedback rounds.

Marketing & Graphic Design Intern | Ting Works LLP | Mumbai, India — Apr – Jul 2023
- Contributed to **10%** organic traffic growth by optimizing WordPress content and SEO; designed for **5+** client brands.

OTHER PROJECTS
